Greetings from The Nippon Foundation. The Foundation continues to be involved in an array of initiatives aimed at fostering a better future for all. To facilitate these efforts, we are asking for donations to the Special Fund for Disaster Preparedness. The entire amount of donations received will go to relief efforts; donations will not be used for the Foundation's administrative expenses.

First 500 Cardboard Beds Delivered to Evacuation Center in Suzu City

The Nippon Foundation’s HEROs project, which promotes social harmony and values, has begun providing support to areas initially impassable, The Nippon Foundation has delivered cardboard beds, providing warmth and comfort for affected residents.

Kerosene, Diesel Fuel, Power Generators, Water Systems Delivered by Ship

In response to requests from local governments in damaged areas, The Nippon Foundation has delivered kerosene, diesel fuel, power generators, water tanks, showers and cardboard beds. Electricity has been mostly restored but some areas are still without running water. With roads to the hardest-hit cities of Wajima and Suzu and the surrounding area, where the earthquake damage was the greatest, are located near the tip of the Noto Peninsula, one of the prefectures involved in the project, is popularly considered to be the birthplace of Momotaro.
